Part I: Compliance with Financial Reporting Standard ("FRS") 134

a) Accounting Policies and Methods of Computation

The interim financial report has been prepared in accordance with Financial Reporting Standard ("FRS") 134: Interim Financial Reporting and paragraph 9.22 of Bursa Malaysia Securities Berhad ("Bursa Securities") Listing Requirements. The figures for the cumulative period have been audited.

The interim financial report should be read in conjunction with the audited financial statements of the Group for the financial year ended 31 December 2006. The accounting policies and methods of computation adopted for the interim financial statements are consistent with those adopted for the annual audited financial statements for the financial year ended 31 December 2006 except for the following:

- 1) In the current financial year ended 31 December 2007, the Group adopted the following revised FRSs which are applicable to financial statements for annual periods beginning on or after 1 October 2006 and are relevant to its operations:-

FRS 117 Leases

FRS 124 Related Party Disclosures (The disclosure requirements under FRS 124 will be presented in the annual financial statements for the financial year ended 31 December 2007)

The principal effects of the changes in accounting policies resulting from the adoption of the revised FRS 117 is set out below:-

- i) Prior to the adoption of the revised FRS 117, leasehold land was classified as property, plant and equipment and was stated at cost or valuation less accumulated depreciation and impairment losses. Under the revised FRS 117, leasehold land is an operating lease unless title passes to the lessee at the end of the lease term. With the adoption of the revised FRS 117, the unamortised carrying amounts of leasehold land are now classified as leasehold land use rights (referred to as prepaid lease payment in FRS 117) and amortised over the period of its remaining lease term, as allowed by the transitional provisions of the revised FRS 117. The reclassification of leasehold land as leasehold land use rights has been accounted for retrospectively and the comparatives in the balance sheet have been restated.
- ii) The effects on the comparatives to the Group on adoption of FRS 117 are as follows:

RM'000	As previously reported	Effect of adoption of FRS 117	As restated
As at 1 January 2007			
Group			
Property, plant and equipment	3,615,685	(96,601)	3,519,084
Leasehold land use rights	-	96,601	96,601

a) Accounting Policies and Methods of Computation (Continued)

- 2) In the current financial year ended 31 December 2007, the Group ceased to have significant influence over an associate, details of which is disclosed in Part I Note (j). Pursuant to paragraphs 18 and 19 of FRS 128, *Investments in Associates*, the Group shall discontinue the use of equity method from the date that it ceases to have significant influence over an associate and shall account for the investment in accordance with FRS 139, *Financial Instruments: Recognition and Measurement*, from that date.

The carrying amount of the investment at the date it ceases to be an associate is regarded as its cost on initial measurement as an available-for-sale financial asset ("AFS"). After the initial measurement, the Group measures AFS at its fair values based on quoted prices in an active market.

Any gain or loss arising from a change in the fair value of AFS is recognised directly in equity, through the statement of changes in equity, except for impairment losses and foreign exchange gains and losses, until AFS is derecognised, at which time the cumulative gain or loss previously recognised in equity is recognised in Income Statement.

When a decline in the fair value of AFS has been recognised directly in equity and there is objective evidence that the asset is impaired, the cumulative loss that had been recognised directly in equity is removed from equity and recognised in Income Statement. The amount of cumulative loss is measured as the difference between the carrying amount and current fair value, less any impairment loss on that AFS previously recognised in Income Statement.

The financial effect to the Group arising from the adoption of this accounting policy at the date of completion of the disposal of equity investment in Star Cruises Limited as disclosed in Part I Note (j) is as follows:

	Financial Effect Increase/(Decrease) RM'000
Available-For-Sale Financial Asset - at date of recognition	2,669,037
Fair Value Reserve - measurement at date of designation	1,473,961
Associate - at date of derecognition	<u>(1,195,076)</u>

b) Seasonal or Cyclical Factors

The business operations of the Group's leisure and hospitality division are subject to seasonal fluctuations. The results are affected by major festive seasons and holidays.

c) Unusual Items Affecting Assets, Liabilities, Equity, Net Income or Cash Flows

The unusual items included in the financial statements for the current financial year ended 31 December 2007 relate to:

The Group registered revenue of RM1,141.2 million and profit before tax of RM431.8 million in the current financial quarter. This is an increase of 5% and 82% respectively compared with the previous year's corresponding quarter.

The increase in the current quarter revenue is mainly attributable to better underlying performance in the leisure and hospitality segment due to higher volume of business as a result of higher visitors arrival.

The increase in the current quarter's profit before tax is mainly because the Group no longer equity account for the results of Star Cruises Limited ('SCL') since 31 July 2007 as disclosed in Part I Note (j) above. The Group's share of losses in SCL in the previous year's corresponding quarter amounted to RM185.3 million.

The Group registered revenue of RM4,352.3 million and profit before tax of RM1,912.1 million for the financial year ended 31 December 2007. The increase in revenue is mainly attributable to the better underlying performance in the leisure and hospitality segment due to higher volume of business as a result of higher visitors arrival.

The increase in profit before tax for the financial year ended 31 December 2007 is mainly attributable to the following:

- increase in revenue of the leisure and hospitality business as mentioned above;
- gain on disposal of equity investment in SCL of RM337.1 million as disclosed in Part I Note (j) above;
- gain on dilution of equity investment in SCL of RM80.98 million as disclosed in Part I Note (j) above;
- higher interest income of RM85.4 million, which increased by RM54.1 million; and
- share of losses in SCL of RM63.1 million compared with RM210.8 million in the previous financial year because the Group no longer equity account the results in SCL with effect from 31 July 2007, as disclosed in Part I Note (j) above.

2) *Material Changes in Profit Before Taxation for the Current Quarter as compared with the Immediate Preceding Quarter*

The Group registered a profit before tax of RM431.8 million in the current financial quarter compared to RM755.9 million in the preceding quarter.

The lower profit before tax is mainly due to:

- gain on disposal of equity investment in SCL of RM337.1 million as disclosed in Part I Note (j) above was incurred in the preceding quarter; and
- gain on dilution of equity investment in SCL of RM17.8 million as disclosed in Part I Note (j) above was incurred in the preceding quarter.

3) *Prospects*

In line with the Government's continuing policy to promote Malaysia as an international tourist destination and barring unforeseen circumstances, the Group's performance is expected to be satisfactory for the coming financial year.

4) *Variance of Actual Profit from Forecast Profit*

The Group did not issue any profit forecast or profit guarantee for the year.

5) *Taxation*

Taxation charges for the current quarter and financial year ended 31 December 2007 are as follows:

	<u>Current quarter</u>	<u>Current financial year ended 31 December 2007</u>
	<u>RM'000</u>	<u>RM'000</u>
Current taxation charge:		
Malaysian income tax charge	75,651	340,805
Deferred tax charge	13,053	17,305
	<u>88,704</u>	<u>358,110</u>
Prior years' taxation:		
Income tax (over)/under provided	(30)	975
Deferred tax over provided	(904)	(2,285)
	<u>87,770</u>	<u>356,800</u>

The effective tax rate of the Group for the current quarter before the adjustment of taxation in respect of prior years, is lower than statutory income tax rate mainly due to tax incentives claimed for the quarter.

The effective tax rate of the Group for the current financial year ended 31 December 2007 before adjustment of taxation in respect of prior years, is lower than the statutory income tax rate mainly due to:

- i) tax incentives claimed for the year;
- ii) non-taxable income arising from gain on disposal of shares and gain on dilution of equity investment in an associate, which is offset by share of losses in an associate;
- iii) lower deferred tax charge due to the reduction in the income tax rate.

The results for the current financial year ended 31 December 2007 do not include any profit or loss on sale of unquoted investments and properties which are not in the ordinary course of business.

Remarks

Under the OFS, shareholders whose names appear in Resorts World's Record of Depositors ("ROD") maintained with Bursa Malaysia Depository Sdn Bhd ("Bursa Depository") or Register of Members ("ROM") maintained with Resorts World's Registrar, Genting Management and Consultancy Services Sdn Bhd as at 5.00 p.m. on 17 March 2008 ("Entitlement Date") ("Entitled Shareholders") will be provisionally offered ordinary shares of USD0.10 each in GIPLC ("Offer Shares") at an offer price of RM0.88 per Offer Share (payable in full upon acceptance) on a pro-rata basis of 1 Offer Share for every 10 existing ordinary shares of RM0.10 each in Resorts World held as at the Entitlement Date.

The actual number of Offer Shares to be provisionally offered to the Entitled Shareholders under the OFS will be determined based on Resorts World's issued and paid-up share capital (net of treasury shares) on the Entitlement Date.

A Prospectus and accompanying relevant forms (collectively, the "Documents") setting out the full details of the OFS, including procedures for acceptance, excess application and payment, will be sent to the Entitled Shareholders at their addresses in Malaysia as stated in Resorts World's ROD or ROM as at the Entitlement Date.

The Documents are not intended to comply with the laws of any jurisdiction other than Malaysia and will not be issued, circulated or distributed in countries or jurisdictions other than Malaysia and will not be lodged, registered or approved under any applicable securities or equivalent legislation (or with or by any regulatory authority or other relevant body) of any jurisdiction other than Malaysia.

As a result, the Documents will not be sent to the Entitled Shareholders who do not have a Malaysian address (in the records of Resorts World's ROD or ROM) or who have not provided Bursa Depository or Resorts World's Registrar, Genting Management and Consultancy Services Sdn Bhd with addresses in Malaysia for the service of notices or documents by the Entitlement Date ("Foreign Holders").

However, Foreign Holders may collect the Documents from the office of the Share Registrar for the OFS at Tenaga Koperat Sdn Bhd, G-01, Ground Floor Plaza Permata, Jalan Kampar Off Jalan Tun Razak, 50400 Kuala Lumpur, who will be entitled to request for evidence as it deems necessary to satisfy itself as to the identity and authority of the person collecting the Documents.

The Documents will be available for download from Bursa Malaysia Berhad's website at www.bursamalaysia.com.

Alternatively, Foreign Holders who wish to change their address to a Malaysian address should inform their respective stockbrokers or Resorts World's Registrar, Genting Management and Consultancy Services Sdn Bhd, as applicable. Any such change must be completed, and notification must be made by the Entitlement Date. Any receipt of notification from Foreign Holders of any change of address to a Malaysian address after the Entitlement Date will be disregarded for the purpose of the OFS.
